

'EIPA in conversation with': where policy and practice meet

We are excited to continue our new, '*EIPA in conversation with*', series of regular round-table discussions.

The free round-tables are hosted by our in-house experts, bringing together key speakers from policy and practice. We tackle timely topics, high up on the EU agenda and provide you with the latest insights you need to stay up to date.

Join the discussion during our Q & A.

Our upcoming '*EIPA in conversation with*'

- **29 April 2021:** Deployment of Trustworthy Artificial Intelligence
- **6 May 2021:** The European CAF Resource Centre at EIPA
- **19 May 2021:** The gender gap in the 27 EU Member States and policy measures for reducing it
