The European Institute of Public Administration (EIPA) and its official partners are delighted to announce that the **Call for Applications for the European Public Sector Award (EPSA) 2023-24 is officially open.**

EPSA – the European Public Sector Award – is a **Europe-wide award scheme for public sector entities** at all levels of government which has been organised every two years since 2009 by the European Institute of Public Administration (EIPA).

Since its launch EPSA continues to provide a **unique opportunity for all public sector bodies in Europe** to submit their **innovative projects**, showcase practical solutions to both present and future challenges and **celebrate outstanding achievements in public administration.**

The award recognises initiatives that demonstrate outstanding performance, creativity, and the ability to deliver tangible results in addressing societal challenges. By shining a spotlight on these success stories, EPSA encourages the **sharing of best practices** and fosters a culture of **learning and improvement in public administration.**

EPSA 9th edition "Boosting Innovation Through Learning" features three award categories:

- 1. Innovation in Public Administration**
- 2. Green Transition and Sustainability**
